SELLER INSTRUCTIONS

TAGGING, HANGING AND ORGANIZING YOUR ITEMS:

1. Only Little Lambs computer generated tags on white CARDSTOCK will be accepted!
2. All clothes must be hung on hangers—as shown in the example below. Make sure the hook is turned away from the tag. Make sure all buttons, zippers and snaps are closed.
3. DO NOT BEND adult hangers at the ends to accommodate smaller clothing. (The bent hangers snag other items on the racks). Please use the correct size safety pins.
4. DO NOT place price tags inside of bags—they are too hard to remove at check out. Attach tags to outside of boxes or bags with clear packing tape.
5. Please do not put tape over the barcode. We scan the barcode to check-in and sell.
6. Place items such as comforters and bumper pads on hangers.
7. Put all receiving/crocheted blankets in plastic bags—not on hangers.
8. Socks and accessories should be placed in zip lock bags and taped shut.

9. Make sure all tags are securely fastened with SAFETY PINS ONLY to the front left shoulder of the garment (as shown below). We will not accept items pinned with straight pins, staples or tiny brass colored safety pins. Please use correct size safety pins.

10. All clothing must be marked with an exact size (i.e. 3 months, 2T, etc.). If item says small, medium or large, use your best judgment to mark the appropriate size on the tag.

11. When you have items with multiple pieces, please use safety pins to securely attach pieces of a set together.

12. Please bring items to Check In in "gender and size" order
